To: City of Rochelle / Attn: Sue Messer / Subject: 800Amp Service replacement

I am very pleased to have the opportunity to send you this proposal for performing the above work as per the following scope of work and notes:

Scope of Work:

- Replace old 800A 120/208V 3 phase service located in the basement boiler room with one new 800A 120/208V service.
- Refeed the secondary of the transformer with new conduit and wire to a new 800A NEMA 3R disconnect which will be located by the jail garage door.
- Refeed from the new disconnect to the new 800A service located in the basement boiler room.
- Excavation and repair of asphalt roadway and concrete sidewalks where new conduits are installed included.
- One Saturday of overtime for power outage to transfer to new service included.
- Rochelle utilities is responsible for the primary conduit and wire from the pole to the transformer. Also, the transformer location on the island by the parking lot.

Notes:

1. This proposal is based on written scope of work. No work other than what is in our written scope of work is included in this price. Any items of work that would need to be revised/added/deleted will be handled on an additional additive/deductive change order basis.
2. All applicable original proposal notes will remain in effect for all RFP's.
3. No work will begin for this RFP until written approval has been received.

We Propose hereby to furnish material, labor, and equipment to complete this project for the sum of: **\$85,665.00**

Payment to be made as follows:

As per original proposal and contract documents.

All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon strikes, accidents or delays beyond our control. Owner to carry fire, tornado, and other necessary insurance. Our workers are fully covered by Workmen's Compensation Insurance.
