To Whom It May Concern,

I am writing to request an addendum to the license agreement for the outdoor balcony/patio area.
We are asking to increase the size of the outdoor seating area by 15.5 square feet.

We are requesting this slight increase to accommodate for ADA and the new COVID rules that
have affected the restaurant industry.

We hope this small increase of 15.5 square feet will meet your approval.

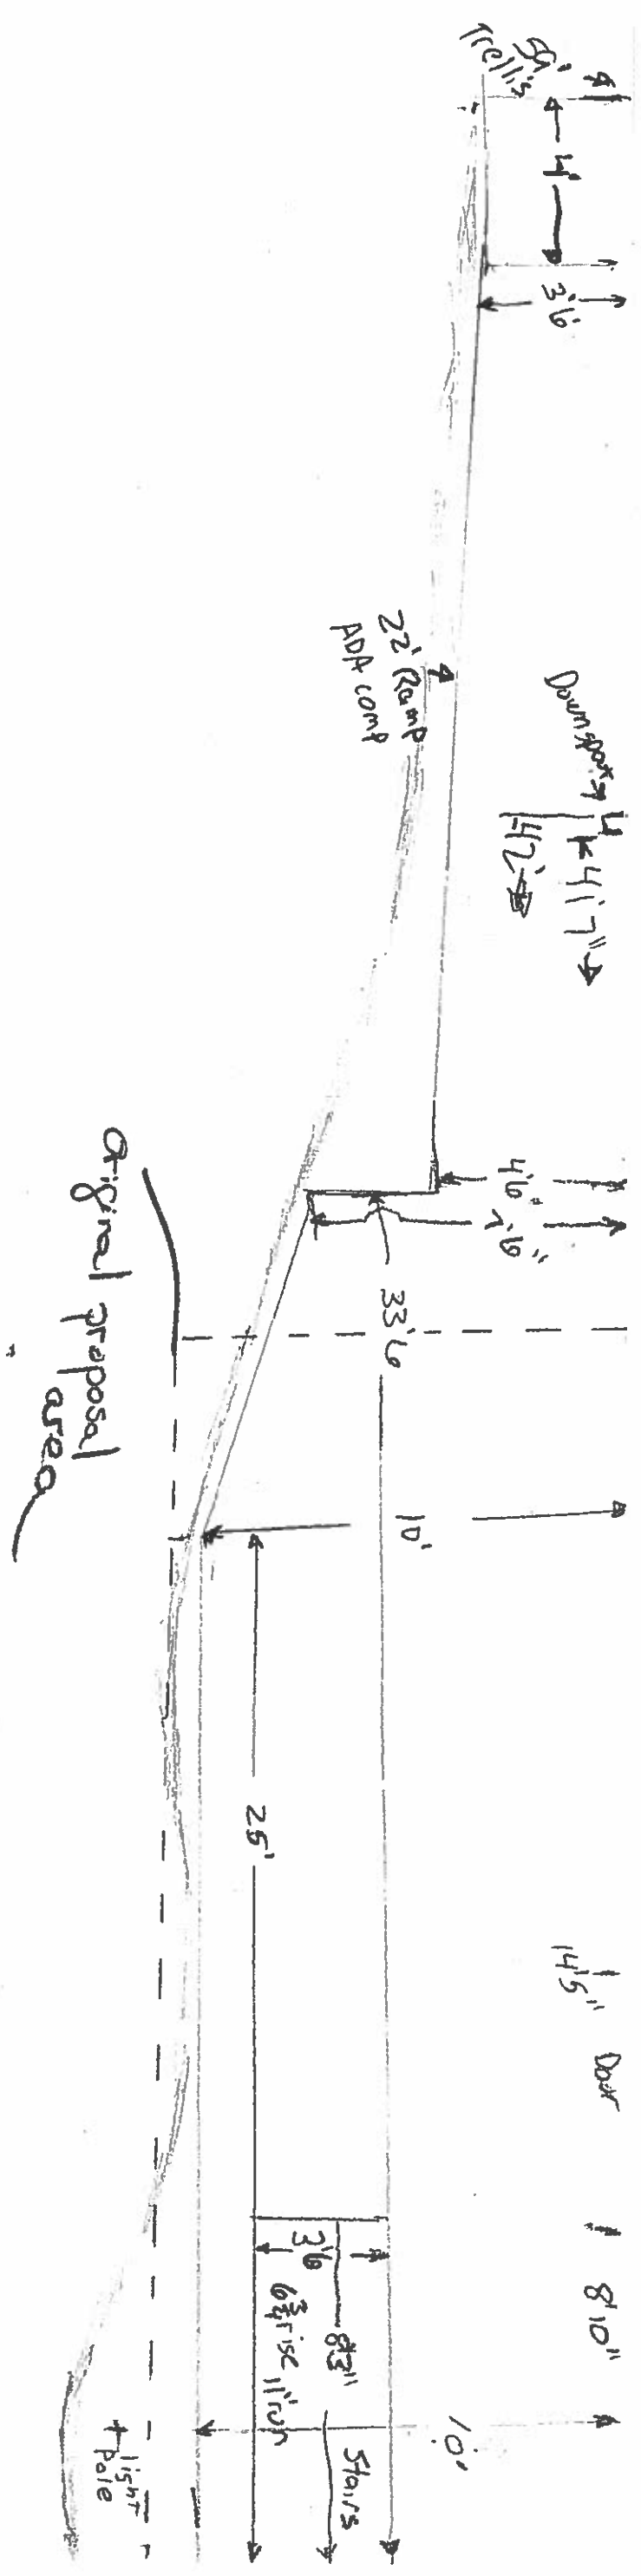

Thank you,

A handwritten signature in black ink, appearing to read 'Teresa Petry', written over a horizontal line.
