(Plus any applicable taxes and additional options selected)

---

## Terms and Conditions:

- Quote is valid until the expiration date shown at the top of the quote.
- Changes to number of units may affect price.
- Pricing is based on specific year, make and model of vehicle. Changes to the vehicle may affect pricing.
- Terms of payment are COD unless credit has been established or other arrangements have been agreed upon.
- Delays in customer supplied materials will affect scheduling and completion of vehicles. We will not schedule any work until we have received all customer-supplied materials.
- Taxes are not included except where noted.
- Prices subject to change based on tariffs and manufacturer surcharges.
- Unassigned vehicles on company property for extended periods may be subject to maintenance and/or storage fees.
- All revisions are subject to approval at time of request. Revisions within 7 days of the scheduled start date may incur additional charges based on equipment or labor. Additional charges may include change order fees, expedited freight costs, handling, storage or other costs related to the customer request.
- We may charge a restocking fee for equipment that you cancel.
- Auto Truck Group is not responsible or liable for any delays due to supply constraints from the chassis or equipment manufacturer or any carrier delays.
- Auto Truck Group is not responsible for damage or loss due to storms, floods, acts of God or other actions out of our control
- All shipments are FOB Auto Truck Group's installation facility unless otherwise specified in this quote.
