## Memo

**To:** Dave Plyman  
**From:** Mark Delhotal  
**Date:** 10/01/2013  
**Re:** Rochelle Municipal Airport Runway extension IL DOT Project RPJ-4243, 3977, 3993/4282

On July 22 2013 the Rochelle City Council approved the State of Illinois to award Martin and Company the low bidder for IL DOT Project RPJ-4243. Included in that agreement amount of \$1,512,020.00 was the amended scope of services for the runway extension project.

Project RPJ-3977 was modified to produce bidding documents for March 8, 2013 letting Project RPJ-4243 was modified to meet the needs of the permitting process and additional coordination with Federal, State and City agencies which was outside the original scope of services  
Project RPJ-3993/4282 was modified to meet the drainage requirements between the previous land owners and the City.

It is my recommendation that the Rochelle City Council sign the agreement between Hanson Professional Services and the City of Rochelle.
