Re: 2015 Tandem Axle Plow Truck

The City of Rochelle Fiscal year 2014/15 includes funds to purchase a new 2015 Tandem Axle Cab & Chassis equipped with a dump body, front plow, wing plow and hydraulics. This vehicle will be used for snow removal and construction work during the summer.

Subsequent to the notice of bidding requirements bids were publicly opened and read aloud on June 13, 2014 with two truck suppliers and two equipment suppliers submitting Bids.

Bids were received from the following truck suppliers:

- Rush Truck Centers (Huntley Illinois) \$83,160.00
- CIT Group, Inc. (Rockford Illinois) \$97,443.60

Bids were received from the following equipment suppliers:

- Bonnell Truck Equipment Inc. (Dixon Illinois) \$65,259.00
- Monroe Truck Equipment. (Monroe Wisconsin) \$67,004.00

After review of all four bids submitted the low bidders Rush Truck Centers of Huntley and Bonnell Industries Inc., Have met all of the required specifications.

My recommendation is to approve the base bid from Rush Truck Centers (Huntley Illinois) and the base bid from Bonnell Industries Inc., and reject all other bids.
